New route
combination

A 3D rendering of a blue road with a white dashed line, featuring three red location pins. The text "New route combination" is overlaid in white. The scene is set against a light blue background with a soft gradient.

MilePlus.. combined

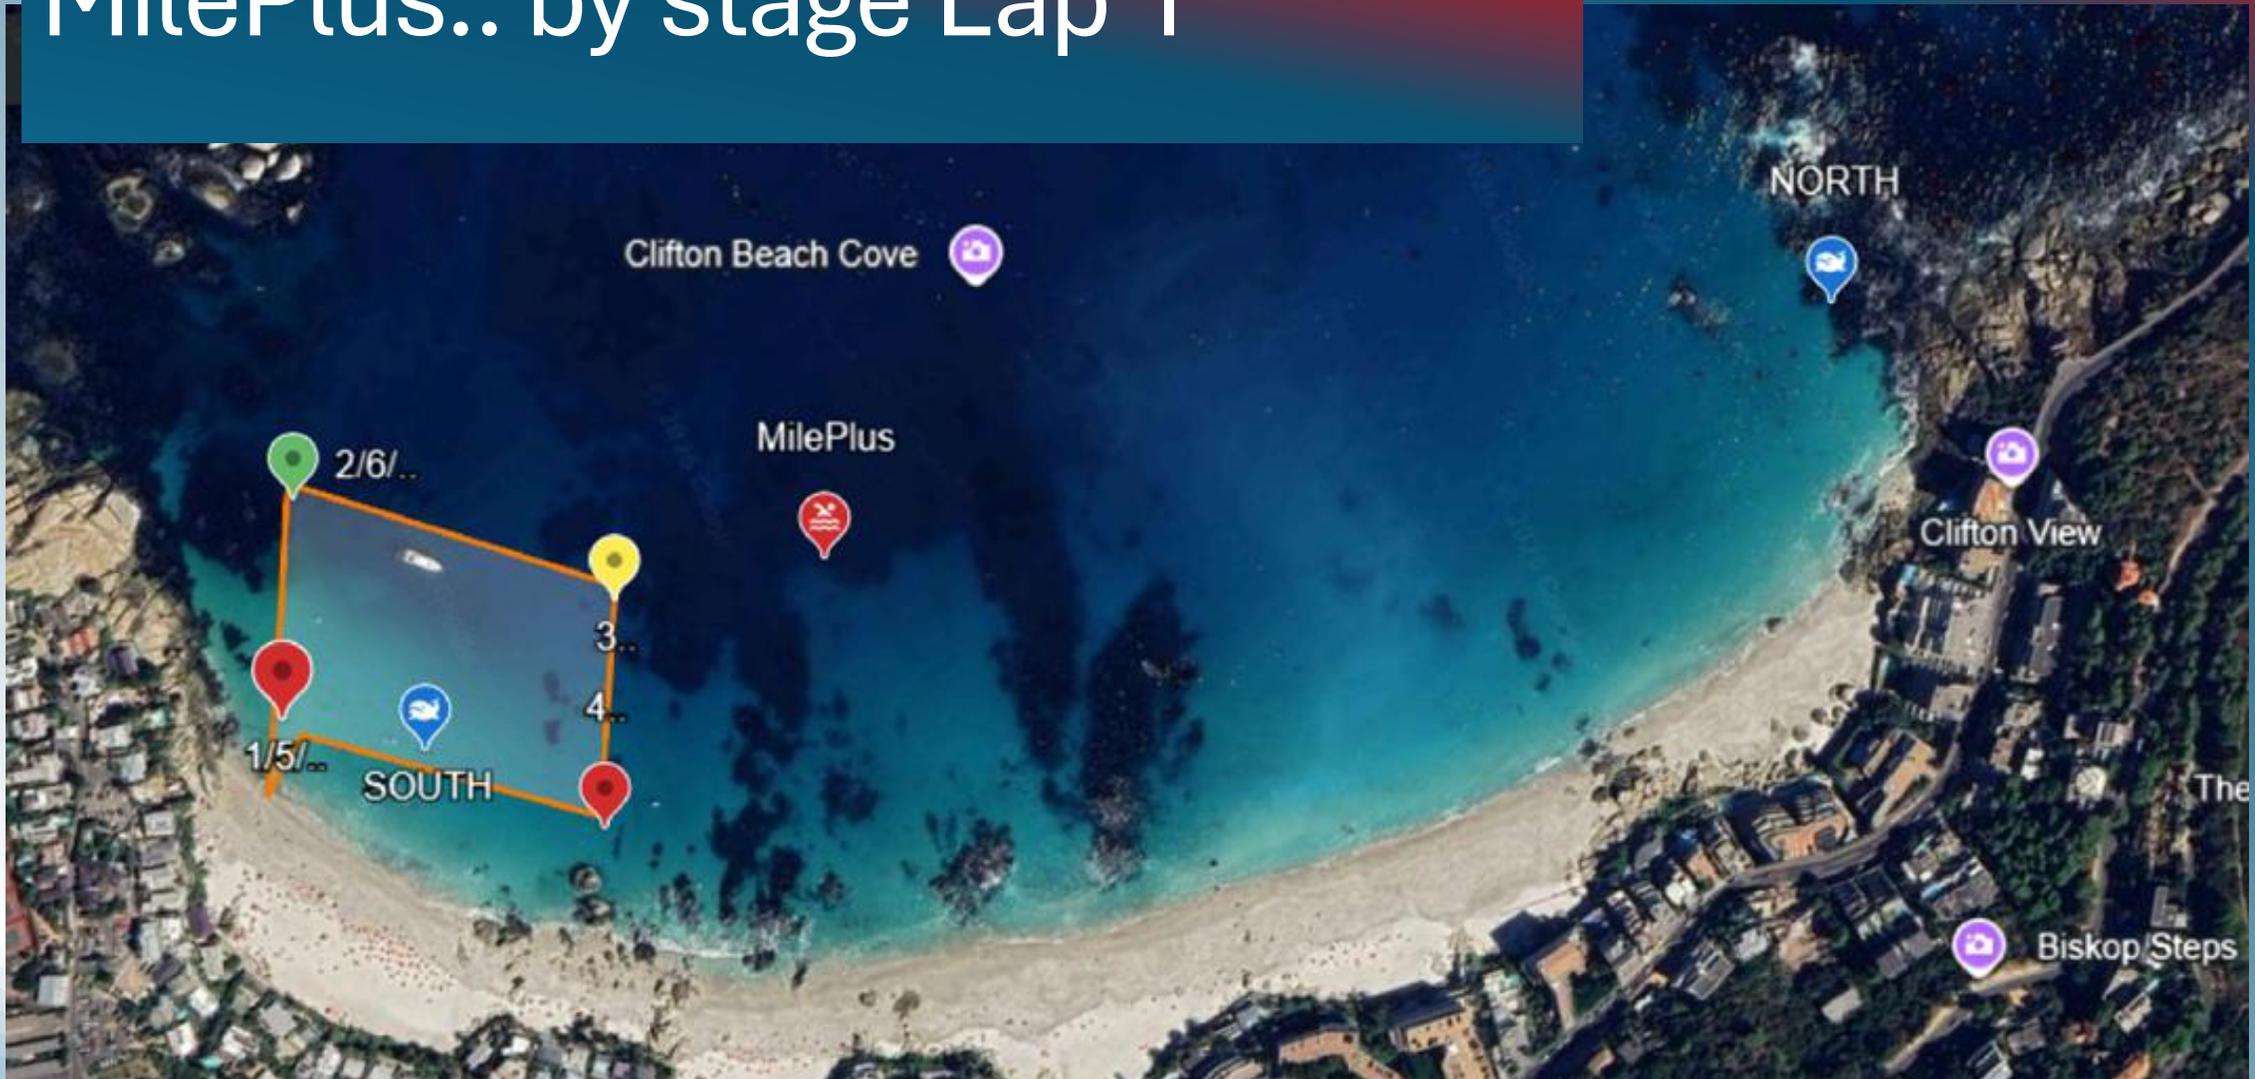

A microscopic cross-section of a plant stem, likely a dicot, showing vascular bundles arranged in a ring. The bundles consist of primary xylem, a vascular cambium, and secondary xylem. The surrounding tissue includes the cortex, pith, and phloem. The image is overlaid with a semi-transparent dark blue filter.
